2018 launch in a 100W, 150W and 200W

With 300W Pole lighting products released last year, we have accomplished more than 10 projects in addition to Kyungil University and Guem lak intersection.

In 2018, it is expected to enter the landscape lighting and sports lighting market with more power range and higher performance.

Egmetech will make every effort to make a better world for its customers with differentiated products every year.

2.Product description

Light shower

Interior & display lighting

25W light shower for track lighting(600mm)

25W light shower for track lighting

Light shower 25W

(Wallwasher lighting 25W)

It is perfectly suitable for display lighting.

Specifications

Total flux	Beam spread	CRI	CCT
1,550lm	2,800lm	OVER 80	4000K/5000K
IP level	Weight	Temperature	Power consumption
IP67	1 Kg	-30~40℃	25W
			Input voltage
			AC220V
			Beam spread
			OVER 0.9

Using one side 20 degree lens

Light distribution : Wall washer

Installation guide

1. Connect the power cable to the power supply.

2. Fix the lighting track to the wall.

3. Fix the lighting track to the wall.

4. Adjust the lighting track angle.
