

Frozen Lighting Binggrae's Factory in Korea

Binggrae is one of the largest food and beverage manufacturers in Korea.

Binggrae produces a variety of ice cream

We first delivered lighting to the Binggrae plant in 2015.

Binggrae plant maintenance managers were very satisfied

with the lighting intensity of more than 50% and the maintenance cost of 70% lower.

After verifying quality for one year,

Binggrae purchases a certain amount every year.
